Gokul Deep

Senior Software Engineer at Carelon Global Solutions
Bengaluru, Karnataka, India

Summary

An engineer with an aptitude to learn new skills looking out for new
opportunities to expand the horizon.

Experience

Carelon Global Solutions
Senior Software Engineer
February 2022 - Present (2 years)
Bengaluru, Karnataka, India

Worked primarily on developing a intuitive UI with AngularJS for an admin
portal that is used to engage with end user. Build API with Nodejs to serve
both the Portal and the App.
Key Accomplishment: Designed and built a CMS system within the portal that
enabled the client to dynamically manage content in the app. This received
appreciation from the client.
